## PROFESSIONAL SUMMARY

I'm in my final semester of CSIT and looking for a QA internship. I know a bit about testing tools and technologies. I'm excited to learn and help with Quality Assurance and testing processes. I don't have much experience, but I'm ready to soak up all the knowledge I can.

## PROJECTS

### Project 1: Paaila: An E-commerce Web App | Team Project

- Designed required test cases and supported all areas of responsibility within a 3-person development team
- Analysed, examined and interpreted whole project.

### Project 2: GuffGaff Hub Chat App | Team Project

- Designed required test cases and supported all areas of responsibility within a 3-person development team
- Analysed, examined and interpreted whole project.
